Dear Parents,

We cannot wait to welcome all the children back to Abbey Gates.

We are conscious that your child/ren will be feeling: excited, anxious, scared, nervous about starting a new school year. As a first step in supporting your child/ren in their return to full-time school we have created a survey to try to gather information about how the children have got on during this time.

The information gathered from this survey will allow class teachers to build a clearer picture of the positive experiences and any required support for our families and children. We are extremely grateful for all the support we have received so far and we are looking forward to continuing to work with you. You can find the survey by clicking the following link:
