A ballot box will be available in the school office. Alternatively, you may return your form by email to office@agps.org.uk

Brief personal details supplied by candidates – please see overleaf

Mrs Rebecca Farnie:

I am passionate about providing the children of Abbey Gates School with an education that provides them with the opportunities to be successful, not just in the classroom, but as well young people ready to take the next steps beyond primary school. I am dedicated to improving the chances available to children and would be

This form must be returned to the school by 10.00 am on Tuesday 27th November

proud to offer my experiences as a parent, secondary maths teacher and Assistant Headteacher to help in any way I can.

Mr Andrew Napthine:

I am proud of how Lilli (Yr 4) and Polly (Y1) are growing and learning at Abbey Gates. I am passionate about ensuring the school continues to provide a great place for our children to develop.

I will commit to supporting and challenging the Leadership team to develop and deliver the strategic aims of Abbey Gates. My experience in business can bring a new perspective to the school and support both the cultural & financial development for the future.

Mr Daljeet Sandhu:

I am a parent of a current Year 2 student and resident of Ravenshead for over 20 years. Concurrently, I am the Head of Mathematics and Trust Director at a Nottingham City secondary school within a local MAT.

This background gives me a unique standpoint and hopefully means I have some of the key skills needed to be a Parent Governor. I understand the ever-changing landscape of education, the demands this can put on our young children, teachers and parents alike.
