Dear Parent Teacher Association (PTA,)

I would just like to say a huge thank you for purchasing our leavers hoodies (They are amazing!) I was so excited when I received them, I now walk the school corridors with much greater pride. Now everyone can spot us responsible year 6's and start copying our smart behaviour. I have already started to use the headphone loops and I can't wait to use them more often. 😊

I still can't thank you enough for the hoodies; I wish that I could sleep in it. As you know the hoodies are grey and red which look astonishingly nice together. The white writing on the back of the hoodie blends in really well -especially with all of our names. Another great thing about the hoodie is that it has the PTA logo on this year.

The really warm pockets feel like a cloud. You feel unique when you are wearing them. And when you're in the playground you can spot all of the year 6's in their grey hoodies. I will beg my mum and dad for another one.

I love all of the names on the back, because in the future I will remember everyone that was in my class. I will treasure it forever.

Yours sincerely

Aaliyah 😊
